

ASSEMBLY INSTRUCTIONS

TWO-WAY RACK (#6031/6032/6033)

Step 1: Place chrome base cover over heavy base.

Step 2: Slip split lock-washers and large round washers over bolts and, with base assembly on its side, push bolts through assembly.

Step 3: Place decorative rectangular plate over bolts.

Step 4: Screw bolts into upright and tighten with wrench.

Step 5: Insert arms and adjust to desired heights.
