#6883

Dump Bin Assembly Instructions

1. Unfold three-panel set as shown, making sure signholder wire is on outside.

2. Slide three-panel loop & pin into single panel connector tabs.

Tip: Secure one side with phillips screw and acorn nut (included) before finishing other side.

3. Secure with phillips screw and acorn nut. Repeat steps 2 and 3 for second side.

4. Set shelf into place.
